

The Educational Cooperation Agreement

Between

SMK - SMTI PONTIANAK of the Republic

of Indonesia

and

Change Vocational Technical College of the People's
Republic of China

To promote bilateral academic exchanges and cooperation, Change Vocational Technical College through friendly negotiation has reached the following agreements with SMK - SMTI PONTIANAK:

1. The exchange visits of two delegations between both colleges would be welcomed to negotiate on areas and specific projects of expanding academic exchanges and cooperation.

2. Negotiated by both parties, mutual exchange of teachers from both colleges is welcomed for the purpose of academic visits and short-term lectures on academic subjects. The courses of exchanges, the number of delegates and the date of visits depend on the actual need and are to be agreed upon.

3. Both colleges shall actively create conditions for
